Hahaha nakakahiya boss! Ito na nga! 🤪

Personal testi! Wala pa kaming baby ni clem diagnosed po ako ng PCOS. Nag try din po magpa treat pro pina sa Diyos na po namin. Kaya change lifestyle. Badminton and triny ko sinabayan ng Gummies natin.

Now si Berberine, fully nag concentrate ako. Twice before meal. Minsan di na ako nag rice tas kaya halos once a day nakain.

After a week meron ng result! Huhuhu life changing po gummies natin! Legit po! 🙌

After 3 years na walang 🩸 finally meron na! Salamat Berberine!

And meron din po ung napag bentahan ng leader namin. Kasi may PCOS din.
